Case here No: 106-CV-898-MEF

Petition For Writ of INJUNCTION

Come now Petitioner Douglas E. Stevenson, pro se. Pursuant to the appropriate Rule and Authority herein respectfully petitions this Honorable Court for a writ of injunction ordering prison officials to Cease and desist from their decision to send Petitioner to the State of New Jersey upon the expiration of the sentence he is serving. Because prison officials are acting in an arbitrary and evil manner by continuing to hold an illegal detainer Warrant in Petitioners prison file. Ignoring the fact that Petitioner had established the fact that said detainer had not only been ordered dismissed by a competent judicial Court of law and the fact that Petitioner had established that originally there had been a mistaken

Identity that had caused the detainer at issue to be placed in Petitioner's Prison file - and it had been ordered dismissed.

Please See: Exhibit A, B, and C Exhibit A. Will Show from the State of New Jersey Superior Court States "No Information has been found in our manual or Computer Systems You have no Detainer in Essex County Superior Court Thank You."

Exhibit B. Will Clearly Show From the State of New Jersey Department of Corrections "that there is no New Jersey Detainers, Warrants, Arrests, Convictions, Prison stays or parole violations from 1979 to 2005." Exhibit C. Will Clearly Show from the Alabama Department of Corrections Facility, Classification Department that, "Yes, your case have been dismissed by the Courts. Which means Absolutely nothing. You will return to New Jersey on these cases."

For the ends of Justice to prevail, Petitioner humbly request that this Honorable Court to please take Judicial Notice of the prison officials continual arbitrary stance in refusing to remove the illegal detainer Warrant out of Petitioner's Prison files and their determination to - regardless

of Court order. Please See Exhibit C to Send or transport Petitioner to the State of New Jersey upon the expiration of his present sentence, as such transportation would cause an unjustifiable and illegal heavy mental and financial burden of Petitioner, who is already suffering under the burden of having said illegal detainee still in his prison file being treated as still active by prison officials.

Wherefore, Petitioner ask on Premises considered that this Honorable Court to issue whatever order or mandate as is necessary to cause prison officials to cease and desist from their determination to transport Petitioner to the State of New Jersey upon the expiration of his present sentence. Because all of the exhibits clearly show, New Jersey does not have any pending Warrants, against Petitioner, and No Detainer Warrants of any kind.

It is so prayed,

Respectfully Submitted

Case No. 1:06-cv-898-MEF.

Ms. Hager;

Thank you for your response concerning my detainer that has been officially dismissed by the courts.

However, the question I asked was in regard to the parole officer: did she by chance give you my case Action Summary Sheet Dec. 14, 38, to return to me?

And what is the parole officer's name that comes here to visit.

I await a response.

Respectfully Submitted
